

The Rutgers Science Explorer is searching for part-time graduate students in SEBS, SAS and GSBS to serve as graduate fellows on the Science Bus for the academic year 2015-16. Graduate fellows will lead scientific hand-on activities in the STEM disciplines and will serve as role models for middle schools student.

Eligibility

- Applicants should demonstrate an interest in combining their research project with teaching. Must be enrolled in a **STEM Program at Rutgers University** in New Brunswick and must be citizens, national or permanent resident of the USA.

Support and Responsibilities

- Graduate students who are accepted into the program will be paid at an hourly rate of **\$40.00/hour** up to a maximum of \$3,000 over the academic year (~ 75 hours during the academic year).
