Innovations in Food Sustainability

Hear Pediatric Nephrologist, Dr. Leigh Ettinger's, from Hackensack University Medical Center talk on "Living Life on the Veg: The How and Why of a Whole Foods, Plant-based diet" and a panel moderated by Assistant Teaching Professor in the Department of Human Ecology at Rutgers University, Dr. Jill Lipoti, that includes:

- **Dr. Serpil Guran**, Director and Associate Professor of Plant Biology at Rutgers University EcoComplex: "Food Waste to Energy"
- **Dr. Sara Elnakib**, RD, MPH, CHES, Family and Community Health Sciences Assistant Professor at Rutgers New Jersey Agricultural Experiment Station: "Food Waste and Food Insecurity in Public Schools"
- **Mitch Morrison**, Co-founder and Manager of the Sparta New Jersey Farmers' Market: "Food Entrepreneurship"
- **Meriterese Racanelli**, Montclair State University Alumni and Food Scientist at Goya Foods: "Cultural Component of Food, Diet, and Sustainability"

Meet with local businesses, students, and experts to learn about innovations in food sustainability and even participate in a food innovation competition!

This event is in collaboration with the Montclair State University’s Feliciano Center for Entrepreneurship and the College of Education and Human Services Nutrition and Food Studies Department.

**Monday, February 5th • 2018**

2:30 PM-6:30 PM , CELS Atrium & CELS 120

For more information, please visit our website at www.montclair.edu/csam/iss.

**Monetary prizes will be given to competition winners!**
