Climate Change Policy in New Jersey *Advancing opportunities to make New Jersey safer, greener, healthier and more prosperous*

**A conference hosted by the New Jersey Climate
Adaptation Alliance**

Wednesday, September 27, 2017

8:30 am - 4:00 pm

Coach Barn at Duke Farms, Hillsborough, NJ

Featuring **Mindy S. Lubber, CEO, President and a founding board member of Ceres**, a sustainability nonprofit organization working with the most influential investors and companies to build leadership and drive solutions throughout the economy.

Mindy will talk about the current state of climate and clean energy policy nation-wide and globally, the critical role of states in advancing sound emissions reductions efforts, and opportunities for tackling climate change in New Jersey and throughout the Mid-Atlantic.

Registration opens July 2017 @ njadapt.rutgers.edu
