

Who Owns the Wind? Climate Crisis and the Hope of Renewable Energy

Friday October 22, 2021
11:30am-12:30pm
IFNH Room 101 and Virtual

Featuring

Jorge Marcone

David Hughes

Rachael Shwom

Join David Hughes (Anthropology) as he discusses his new book with Jorge Marcone (Spanish and Portuguese) and Rachael Shwom (Human Ecology). Hughes' book sets opposition to Spanish wind farms in cultural and historical context – and proposes more democratic renewable energy everywhere.

NOTE: This event will be held in person and virtually. A limited number of Rutgers faculty, staff, and students will be eligible to attend in person following Rutgers social distancing and masking requirements. **Everyone must register to attend in person or virtually.
